F. H. A.

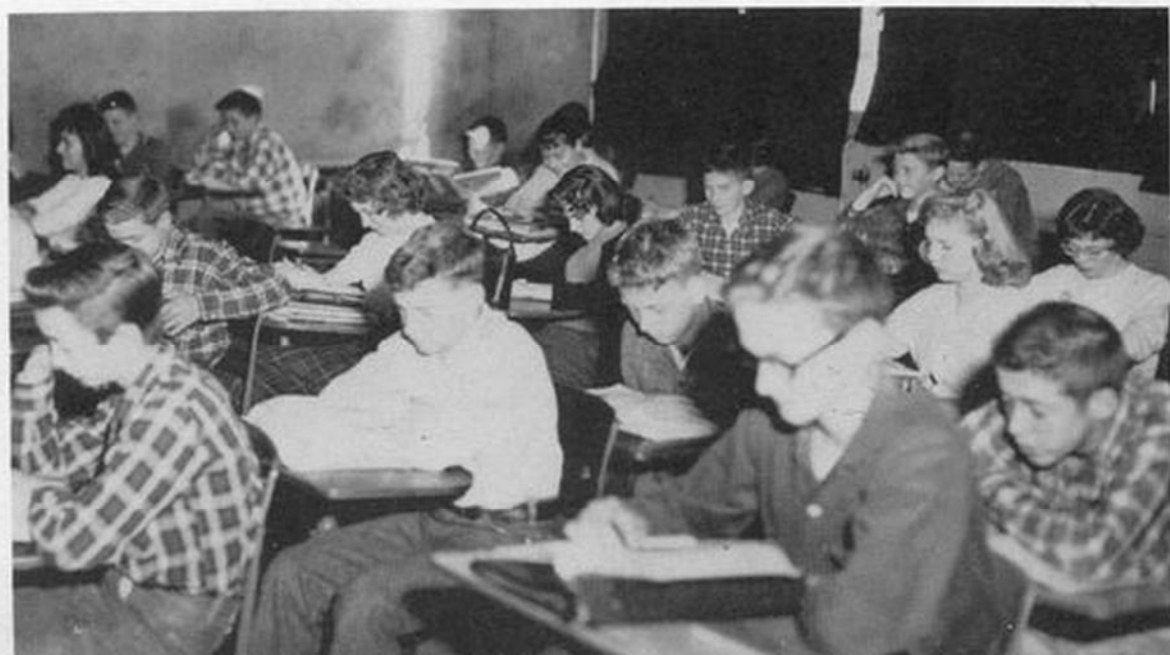

Mr. Patton carefully supervises the work of these "chemists". There may be a growing genius in this group.

Mr. Callison and his shop class. Here the boys have a chance to develop their skills.

The Junior High boys and girls are busy at work.

These office workers assist Mr. Moore in any chore that needs to be done.

This Library staff helps keep our books and magazines in order.

Mr. Patton's study hall seems quite busy.

LEFT TO RIGHT: Sally Scott, Anne Frances Rock, Nora Kerns.

OUR CUSTODIANS

LEFT TO RIGHT: James Kyle Rock, Julian Puffenbarger.

OUR BUS DRIVERS

DEDICATION

We, the seniors of 1961, with our deepest appreciation, dedicate our annual to our kind parents and sponsors, who with their guidance and understanding have made it possible for us to complete these four most important years. We realize that without their support we would never have become seniors.
